HOST FAMILIES

Staying with an English-speaking Maltese family is an excellent way of maximising your educational experience with am Language Studio. We Maltese have our own way of life so living in a family environment can be fun, it gives you the opportunity to practise your English and it will provide you with a cultural experience that you will remember for the rest of your life!

Having said this, family homes are not hotels and living with a family is, at times, a delicate thing. Bear in mind that you will be entering a family's home and that you will have to integrate into their way of life. Choose this option if you are open-minded, fun-loving and ready to learn about Maltese customs and traditions. It is an ideal choice for students wanting to practise their English and experience living in Malta at an affordable price.

Am Language Studio is committed to offering quality home stay programmes. Students will receive a Host Family Profile of their host family when their application is confirmed by our letter of acceptance. Should any student have any problem with their host family accommodation they are to inform us immediately in writing and we will do all we can to solve the problem within 48 hours of receipt of the written complaint.
