

The Inhawi Hostel

The hostel is the embodiment of that meaning, where cultures meet and blend with the Maltese way of life to form a new kind of neighbourhood, one that makes waking up in the morning feel like it's the right side of the bed, every time. An experience by the sea, in the heart of Balluta Bay in St. Julian's that offers fresh, comfy quarters, fun vacations and chillaxed environment to meet some awesome new friends.

Balluta Bay is on the northeast coast of Malta within St. Julian's. It is a popular recreation spot for swimming, diving, and a whole range of other water sports, with a piazza surrounded by cafés and shaded by Judas trees.
