STUDENT EXPERIENCE:

Hello I am Charles and I am from France. I arrived by chance in Malta, seeking a solution to improve my English because it was very low, I obtained an ERASMUS stock exchange of 3 months for the destination of Malta.

Arrived on this beautiful island, immersed in a wonderful host family and in internship in a company in Valletta, I had the opportunity to do one week of school at AM Language. At that time everything started, I met students and great leaders who proposed me to participate in activities. So I was able to meet people from all over the world. About my internship, I was greeted by a wonderful tutor and I quickly integrated into the chat with tourists from all over the world allowed me to work my English, now I feel more comfortable with that language.

In conclusion, I can say that living in complete immersion in Malta is a great solution for learning English. When I go back to France, what I will miss the most is all the people I've met, the sun and the beautiful landscape

Hello, I am Hugo from the Netherlands and I am in Malta for my internship. I am studying marketing and communication. In Malta I work for a media design company. I assist them with devising and implementing for marketing campaigns. I create marketing plans and have contact with other companies. I was able to film an advertisement for a company. This was a big challenge for me. I have improved my skills to do my internship in Malta. My English is much better and I met a lot of people from all around the world. My internship in Malta was a great experience that I will never forget.

Hi I am Daphne and I am from Belgium. I am in Malta for my internship. I have been studying at AM Language for two weeks. I have improved my English skills and I am very happy about it. Also you meet a lot of people from all around the world. Also the school activities are very fun. You met other students and you learned a lot of Malta. AM Language helped me to find a company to do my internship. Now I am working at a hotel in Valletta. I work at the front-office and I really like it. I help people as good as I can. I book excursions for the guests, make reservations for restaurants and I pick up the phone. Also I help to organize events or I come up with nice activities for the guests. I learned a lot of working abroad. I improved my English and that is good for my future. I want to work at a hotel in Belgium in the future.

Throughout their stay, all students will also be required to fill in various questionnaires: First Impressions Questionnaire, weekly In-Process Questionnaire, and an End of Stay Questionnaire. We use these questionnaires to evaluate all our students' levels of satisfaction in all areas and we encourage every student to use these Questionnaires to bring to our attention any areas for improvement.

Attendance Policy and Discipline:

Punctuality: Students are requested to attend lessons on time. Students who are more than 10 minutes late will not be permitted to enter the classroom as this will disturb the other students and will be asked to wait until the next lesson. The tuition department reserves the right to refuse entry to class to students who are regularly late without a valid reason.

Attendance Policy: Students should attend all lessons according to their scheduled timetables. Attendance is recorded for all lessons. Students who are on a visa and whose attendance falls below 85% are breaking the conditions of their permitted visa. AM Language is required to report any students on a visa who miss classes to the immigration authorities which could result in their visa being revoked. Visa students who are sick should not attend class, but should obtain a medical certificate from a registered doctor and present a copy of it to the tuition office for their records.

Holidays: Time away from the course must be authorised by the sales office. Students who wish to suspend their lessons in order to go on holiday should advise the sales office a minimum of two weeks prior to the start of their holiday. Once holidays are set only one change will be provided without an extra charge. Subsequent changes will incur in €50 per change.

Student's tuition course will be extended (if requested) free of charge. The school will not extend the student's accommodation. Students wishing to extend their accommodation will have to pay the brochure price. The school does not guarantee that any students returning from their holiday break will have same class, teacher or accommodation.

Students who are on a student visa will only be authorised to take a holiday if their attendance is over 85%. Therefore students are advised not to book flights until their holiday has been approved and booked with the sales office. AM Language cannot be held responsible if flights have already been booked and the holiday is unauthorised.

Certificate: AM Language will issue a certificate of attendance to every student on departure, provided they have attended a minimum 75% of their lessons. Any student who has attended less than 75% will not receive a certificate. The percentage of attendance is printed on the certificate along with the number of booked hours and the final level of English attained on departure.

Mobile phones: The use of mobile phones for personal calls and messaging is not permitted in the classroom. Furthermore, unless direction is given by the teacher, the use of mobile phones or electronic translators is not normally permitted during lessons as they may inhibit learning.

Classrooms: Classrooms are air-conditioned for students' comfort and well-being. Students are advised that they should bring a sweater or cardigan to class in the event that they feel cold.

Sickness: In order to prevent the spread of germs to classmates and teachers, we ask that students who are sick, feverish, coughing or sneezing do not attend class. Any students who arrive in class displaying obvious symptoms of illness will be asked to leave immediately and seek medical assistance. In serious cases this may result in being repatriated to their country at their own expense. Any missed lessons due to sickness will not be replaced.

Change of level: General English students will be tested every 4/5 weeks on the four main skills – speaking, listening, reading and writing. Tests will be given during one classroom session and results given individually to students at the end of the week. Students who meet the required pass mark will be invited to move up to the next level the following week, subject to availability. Students may need to purchase additional course books when changing level.

Expulsion: AM Language expects all students to be well-motivated, polite and considerate towards members of staff, host families and fellow students at all times. All students are bound to abide by the school policies and rules as well as the laws governing Malta. AM Language reserves the right to expel any student who does not comply with any of the above from the programme. In this case, no refund of fees will be made and any extra costs incurred by the school on the behalf of the student will be charged to the student.

Loss of Property/Insurance: AM Language will **not** be held responsible for loss or theft of any students' property from the school or accommodation or from any other location. Students' property is the sole responsibility of the student at all times.
